AUSTRALIA'S PUBLIC MARKETS RUN ON WEEKLY SHOPPING

Tourists put the markets on the map; the people who come back every week keep them open.

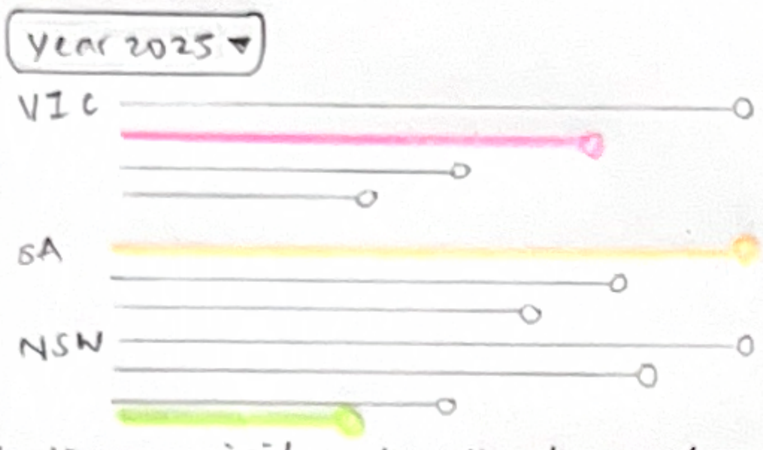

ATTRACTION OR HABIT?

Four markets: tourist sight or weekly shop?

intro · two text columns

1. THE MARKET OUTRANKS THE LANDMARK

QVM 2nd in VIC · Adelaide 1st in SA · Sydney Fish 13th

lollipop · visitors by attraction · 1 panel per state

2. EVERY STATE, THE SAME SMALL SHARE

Markets feature in 2.4–3.2% of day trips everywhere

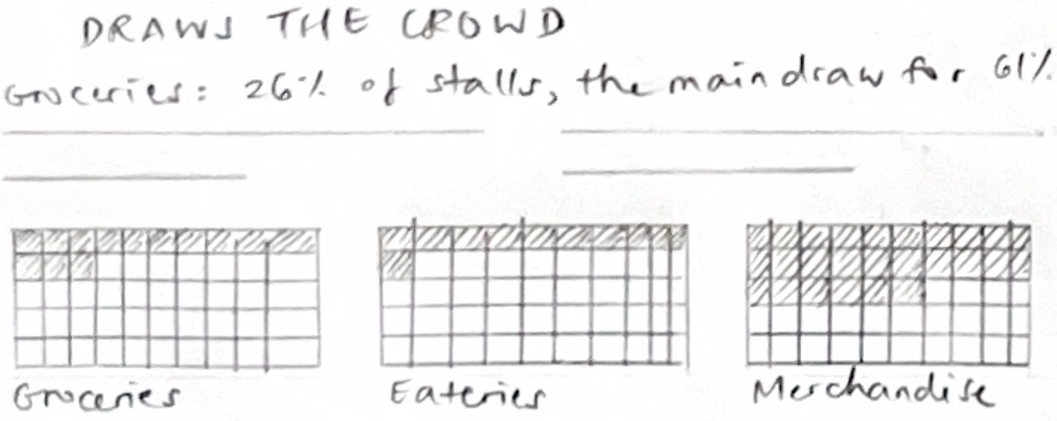

callout: gaps under 1 point

choropleth · share of day trips · 4 shades

3. WHAT FILLS THE STALLS, AND WHAT DRAWS THE CROWD

Groceries: 26% of stalls, the main draw for 61%

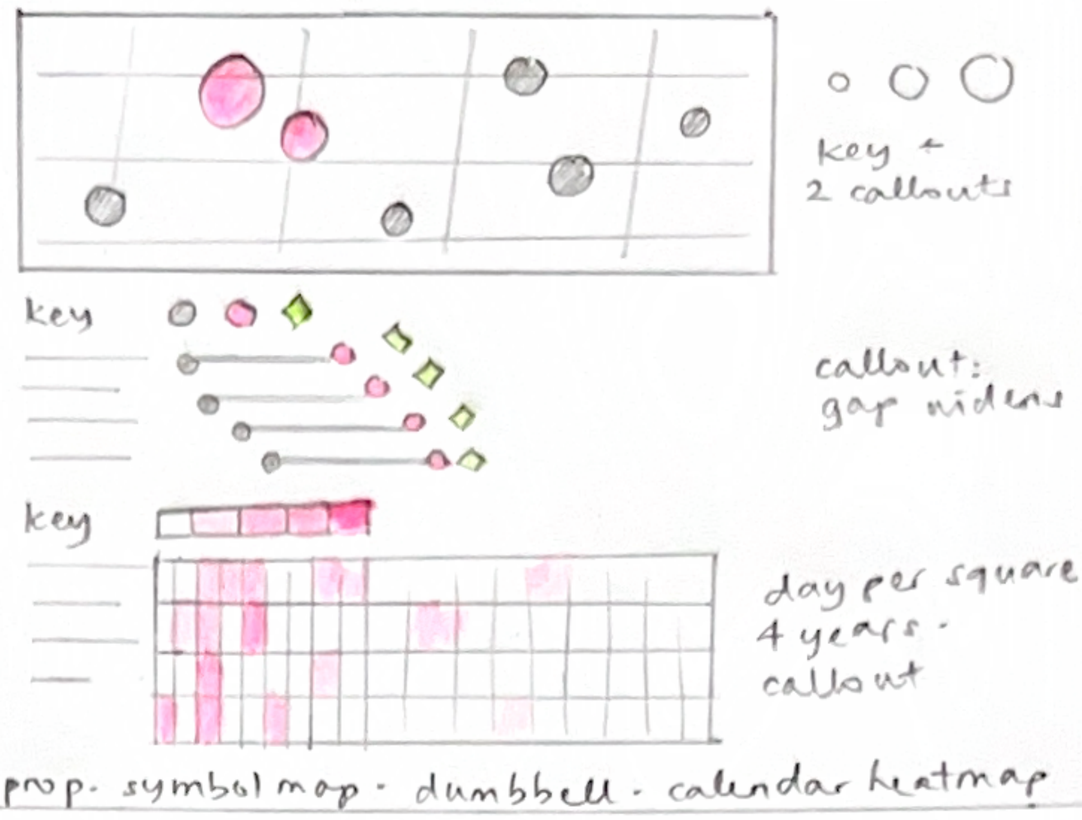

waffle · 1 square = 1 stall | slope · stalls vs. main reason

continues in next column (single-column page)

4. THE MARKET HELD ITS GROUND

2020: QVM area kept 51% of its crowd, the city 33%

prop. symbol map · dumbbell · calendar heatmap

5. THE LOCAL'S MARKET CAME BACK FIRST

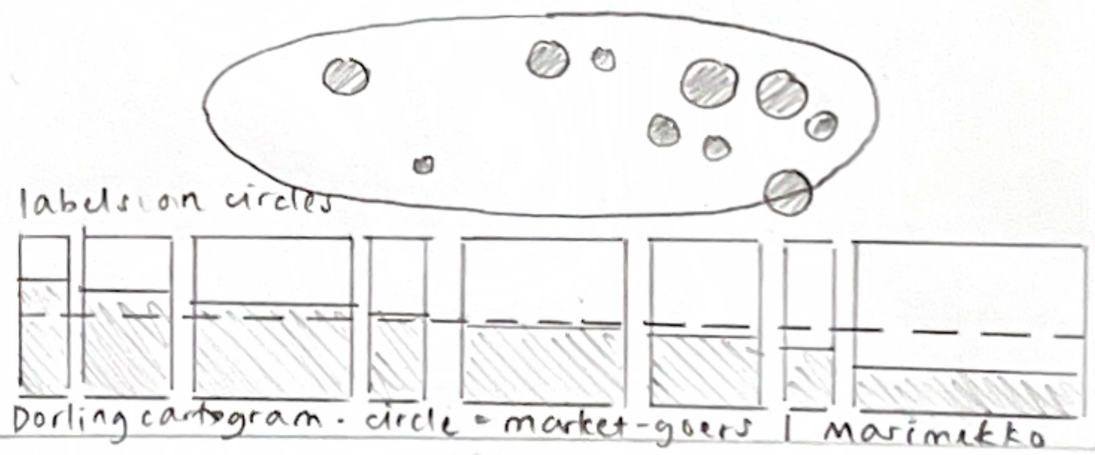

SMM ended 7% up; QVM slightly below

waterfall · change each year · 2 markets

6. NEARLY HALF OF VISITORS GO TO A MARKET

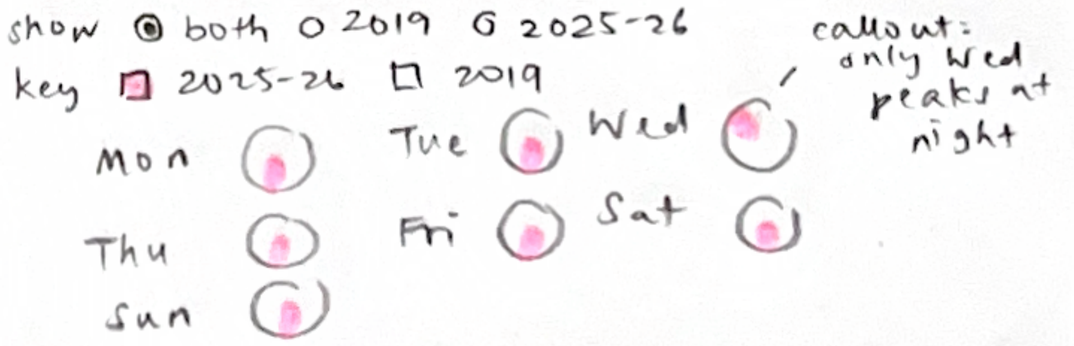

46% of intl. visitors · NZ lowest at 30%

Dorling cartogram · circle = market-goers | Marimekko

7. SAME TIMETABLE, BEFORE & AFTER

Lunchtime peak · Wed peaks at 7pm

radial bar · 1 clock per week day · toggle

8. WHAT RENEWAL HAS TO PROTECT

Keep the weekly shopping

conclusion = text only
